

COMMERCIAL AND MONEY MATTERS.

For sales of Stocks, &c. see fourth page.

THURSDAY, P. M.
The Stock Market had a downward tendency at the first Board to-day, but the decline was not marked. The business, however, continued, and at the Second Board the sales were at a further decline.

The business in Exchanges for the Steamer has been large, and rates are rather heavy. The favor-
able signatures Sterling bring \$10 per ton, but good bills can be sold at \$9. Francis are \$30 to \$32. The supply of bills is good.

The Money Market we think is evidently tighter. The Banks and capitalists are exercising more caution, and the Deposit Banks are obliged necessarily to pre-
pare for Government draft. Sales of good character cannot be done in the street better than 12 to 15 per cent.

The receipts of the first eight working days of May, on the Norwich and Worcester Railroad are
as follows:—
Norwich and Worcester Railroad.....\$82,74
Same time last year.....\$63,90
Excess in 1846.....\$19,84

The most favorable results have attended the re-
daction of fare on the Union and Schenectady Railroad,
as will be seen by the annexed statement. The earn-
ings have been—

January	1,845.	1,845.
February	\$11,977.12	12,336.69
March	10,609.10	11,747.10
April	10,393.34	11,707.30
Total	\$75,503.37	\$84,035.95

The rate of fare was reduced on the 1st of April from \$12 to \$12, notwithstanding which the receipts have increased \$4,000 in that month. This speaks well for the principle of fare reduction.

The Homestead Bank has declared a dividend of three per cent. for the last six months, payable on the 15th inst.

Markets....Carefully reported for The Tribune.

TUESDAY, May 14th.

ASHEVILLE.—The market is rather firm, and the sales are about \$35 to \$38 per prime bushel, and a few Peas at \$45 to \$48. The receipts to day are about 1,600 bushels.

COTTON.—The sales to day have been small, without change in price.
